

Classics for All provides funds to enable state primary and secondary schools, many in areas of high deprivation, to study Latin, ancient history, classical civilisation and ancient Greek. Our vision is of a world in which every state school pupil has the chance to benefit from the learning and enjoyment and greater aspiration which studying Classics can bring.

Will you help us by making a donation now and make a commitment to us for future years?

We welcome pledges to ensure (L. *securus*, 'free from anxieties, confident of prospects, assured') we have enough funds for schools several years down the line.

This allows us to invest in schools now to start up their Classics programme and also know that we can commit to supporting their teachers over several years.

At Classics for All, you can become a Centurion donor for less than £10 per month! Our donor categories range up to Olympians; the labels are for fun but we thank you seriously for whatever level of support you are able to provide.
